<sup>=</sup> Data Not Available.

Preliminary data collected weekly. See the Petroleum Supply Monthly for updated data or the Petroleum Supply Annual for final data.

Countries reported represent the top 10 countries based on annual import volumes from the PSM data as published on 8/31/2021 from the prior year full year. Some data estimated.

Calculated from annualized import data of each country as a percentage of the total imports from the last full calendar year of the Petroleum Supply Annual as published on
